ONSITE SALT BUCKETS & SAFETY SAND BARRELS

Our onsite salt and sand are a great way to keep your property looking clean and functioning safely during the winter. They can be stored anywhere on the property and refilled anytime upon request.

SALT BUCKETS

- Perfect for entrances and walkways
- Help keep stairways and handicap ramps ice free
- Quick and inexpensive fix for light snow fall
- Minimize 'slip and fall' risk
- Keep a clean appearance throughout the winter
- Contains Professional Ice Melter Blend (Melts to -12°F)
- Typical ice melts contain a blend of potassium chloride, sodium chloride, magnesium chloride, and calcium chloride

SAND BARRELS

- Great for steep entrances and exits of your parking lot
- Maintain good traction around loading docks
- Increase and improve traction in frequent ice-accumulating areas
- Contains our Safety Sand (90/10 sand/salt mixture)
